

International Days
Sustainable Development Goals
Answers from the North and the South

Program | Campus De Nayer, 10-11 March 2016

Welcome

The International Days 2016 on Technology Campus De Nayer are organized by Thomas More Mechelen-Antwerp and KU Leuven. Every year speakers from all over the world are invited to come speak about a specialized subject within a specific theme. The theme of 2016 is *'Sustainable Development Goals: Answers from the North and the South'*.

For more information about the program on Technology Campus De Nayer check our website: <https://iiw.kuleuven.be/denayer/studenten/international-days-2016>

If you want to attend a seminar, please register at

<https://iiw.kuleuven.be/denayer/studenten/international-days-2016>.

We are proud to present the program for the year 2016 on Technology Campus De Nayer!
