MAIN THEMATIC AREAS OF THE CONFERENCE:

1. Innovative technologies in physical education of different segments of the population.
2. Professional, Olympic and Paralympic sports.
3. Theoretical and methodological foundations of professional training of physical education specialists.
4. Adaptive physical education, physical rehabilitation, occupational therapy and kinesiotherapy.

The conference is held **online**.

The link to join the conference on the **Zoom** platform and the conference program will be sent in the invitation by **March 10, 2026** to the email addresses you provided.

Each conference participant will be sent an electronic certificate and a link to download the collection of abstracts.

The collection of abstracts will be printed within a month after the conference (in case of emergency, the deadline may be changed).

General requirements for abstracts.

Font: Times New Roman, 14 point, 1 line spacing, 20 mm margins on all sides, 1.25 paragraph. If you have a table in your text that is larger than the printed page, you do not need to insert a table break.

Design of the title page of abstracts: UDC; surname and initials of the author(s), academic degree, academic title, position, full name of educational institution or scientific institution, city in the language of the article (right-aligned);

below, after an interval, the title of the abstract in capital letters, font – bold, centered; after an interval, an abstract is given (for the English version – surname and full name), title of the abstract, text (thesis statement of the main provisions, results and conclusions), keywords (up to five) and is submitted in two languages (Ukrainian, English). The volume of the abstract is up to 50 words in Ukrainian and English.

Formatting of used sources according to [DSTU 8302:2015](#). References to sources in the text in square brackets.

Language of materials: Ukrainian, English.

Volume of materials: 3-5 pages.

Publication of abstracts is **free of charge**.

The receipt of your materials for participation in the conference must be confirmed by our notification of their receipt to the email address you provided.

If you have not received a response within five business days after sending the materials, please resend the materials or call.

All materials are accepted and published in the author's editorial office, but undergo mandatory proofreading.

To participate in the conference, you must fill out the Google form by **March 1, 2026** (login to the Google form via the link below, or via QR code).

Downloading abstract and presentation files for the report is available directly via the Google form.
