Please complete the **application form** and upload your abstract **by October 23, 2026** (abstract template is embedded in the application).

The text of the conference abstract must be carefully proofread and checked by the author. The author of the conference abstract is solely responsible for the content. Submissions must comply with formatting requirements and fall within the scope of the conference to be eligible for publication. If the author of the abstract is a student and has no degree, a review from the academic advisor is required.

Please follow the requirements below:

The electronic version of the abstract should be submitted in *.doc or *.docx formats.

The file should be named by the number of the thematic session and the author's last name, for example, 2_Williams.doc.

Formatting requirements can be found here.

Participation in the conference is **free of charge**.

The conference proceedings will be published on the website of Zaporizhzhia Polytechnic National University.

Should you have any questions, feel free to contact us at (+380617) 69-85-89, (+38096) 96-91-048, or kafedraiftap@gmail.com

Looking forward to seeing you at the conference and having a fruitful collaboration!

Warm regards,
Organizing Committee
